- Python basics
- Docs-as-Code
- Style guides
- Python basics

Soft Skills

- Collaboration
- Attention to detail
- Teamwork
- Adaptability
- Time Management
- Critical Thinking
- Communication

SELECTED WRITING SAMPLES

- [Infrastructure as Code for Beginners](#)
- [Introduction to CI/CD Using GitHub Actions](#)
- [Machine Learning: A Beginner's Guide](#)
- [Understanding Numpy Arrays in Python](#)

PROFILE

Technical Writer specializing in API documentation and DevOps, with a passion for simplifying complex concepts into clear, developer-friendly docs. Experienced with Docs-as-Code workflows, CI/CD pipelines, and static site generators like Docusaurus. Collaborative, detail-oriented, and committed to improving developer experience through technical accuracy and clarity.

WORK EXPERIENCE

Personal Documentation Projects

Aug. 2025 - Present

PixiEditor Documentation Refinement

- Optimized the content structure of an open-source 2D graphics editor using Docusaurus and Markdown, improving readability and reducing cognitive load on users.
- View Project → [PixiEditor Documentation](#)

Chimoney API Reference

- Documented two API endpoints for the fintech using Swagger and tested with Postman; improved endpoint clarity and usability.
- View Project → [Chimoney API Reference](#)

Dribbble API Docs

- Created Quickstart and Authentication guides while applying Docs-as-Code approach to reduce onboarding time for developers.
- View Project → [Dribbble API Docs](#)

DevOps CI/CD Documentation

- Documented a complete guide for setting up GitHub Actions with Lychee Broken Link Checker, showcasing knowledge of pipelines and workflow automation.
- View Project → [CI/CD Guide](#)

Technical Writer (Volunteer)

June 2024

The BIRDS Satellite Project

- Revamped existing documentation using the Docs-as-Code approach.
- Developed glossaries and structured new documentation to improve usability and comprehension.

EDUCATION

- Technical Writing Accelerator Program, WriteTech Hub Aug. 2025 - Present
- Technical Writing Certification, WriteTech Hub (Certificate) June 2024
- Federal University of Technology, Akure (FUTA), Nigeria 2019 - 2024
B.Eng in Mechanical Engineering | First Class Honors
